

**VIVEKANANDHA COLLEGE OF ARTS AND SCIENCES FOR WOMEN**

**[AUTONOMOUS] ELAYAMPALAYAM, TIRUCHENGODE**

**DEPARTMENT OF BIOTECHNOLOGY**

**LIST OF SEMINAR/ SYMPOSIUM/CONFERENCE/ WORKSHOP/ TRAINING PROGRAM ORGANIZED**

**(2009-2010)**

S.No	Date & Duration	Title of the Activity	State whether International / National / Regional	No. of Participants				Significance of the Programme
				Within State	Outside State	Foreign	Total	
1	23 – 25 th Sep'2009	National Conference on “ Advancement in Transgenic Technology (ADTGT'09)	National	Yes	No	No	300	To create awareness about the transgenic technology
2	5 & 6 <sup>th</sup> Mar'2010	Workshop on “Agri Biotechnology for healthy environment, rural development and employment”	National	Yes	No	No	300	Focused the agricultural practical training to the farmers, unemployed youth and students.
3	10-12 <sup>th</sup> Mar'2010	National level Symposium on “ medicinal plants & traditional medicines for human welfare”	National	Yes	No	No	250	Focused on medicinal plants & traditional medicines.

**(2010-2011)**

<b>S. No</b>	<b>Date &amp; Duration</b>	<b>Title of the Activity</b>	<b>State whether International / National / Regional</b>	<b>No. of Participants</b>				<b>Significance of the Programme</b>
				<b>Within State</b>	<b>Outside State</b>	<b>Foreign</b>	<b>Total</b>	
1	08 & 09 Dec'2010	National Seminar on “ Implication of Biotechnology in Folklore medicine”	National	Yes	No	No	250	To Create awarenesss in Floklore medicine and conservation.

**VIVEKANANDHA COLLEGE OF ARTS AND SCIENCES FOR WOMEN**

**[AUTONOMOUS] ELAYAMPALAYAM, TIRUCHENGODE**

**DEPARTMENT OF BIOTECHNOLOGY**

**LIST OF SEMINAR/ SYMPOSIUM/CONFERENCE/ WORKSHOP/ TRAINING PROGRAM ORGANIZED**

**(2013-2014)**

S. No	Date & Duration	Title of the Activity	State whether International / National / Regional	No. of Participants				Significance of the Programme
				Within State	Outside State	Foreign	Total	
1	18.11.2013	International symposium on Bioscience Research for present and future Biomillineum' 13	International	366	-	2	368	Mainly focused on recent advances in Environmental research like bioremediation, Bioprocess technology, Molecular Biology, Microbial biotechnology and Bioinformatics
2	28.02.2014	National Exhibition for National Science day	National	398	-	-	398	Exhibits displayed by students on basic biological concepts to celebrate National Science day

		celebration – “Bioexhibit”						
3	28.02.2014- 13.03.3014	Workshop on Molecular Biology and Bioinformatics	National	127	-	-	127	14 days Hands on workshop and training on Molecular Biology techniques and Bioinformatics tools
