

STUDENT ACHIEVEMENT IN PAPER PRESENTATION

P. Merlin Christy and V. Allimuthu	Decomposition as a technology for sustainable energy management	A National Seminar on "New Horizons in Biotechnology and Bionanomedicines" "NHBB-2012"	24th September 2012	Best Poster presented
R. Manimegalai	Isolation identification of Acetobacterium woodii AND Methanospirillum hungatei and their effectiveness in biogas production	A National Seminar on "New Horizons in Biotechnology and Bionanomedicines" "NHBB-2012"	24th September 2012	Bets Oral Presentation
Manimegalai, R and S. Archaya	Comparitive analysis of four methanogens in effective biogas production	MICROCIENCIA-2012, 10th IAAM National Conference on "Exploring the Potentials of Microbes for Bioscience, Biotechnology & Medicine" SRM UNIVERSITY	December 17th& 18th 2012	Best oral presentation
Sreeremya. S	Optimization of conditions and mass production of carboxy methyl cellulase from fungi isolated from higher termite soil	National level seminar on Applications of Biology to Human Welfare. Sri Ganesh College of Arts and Science. Salem	10 th January 2013	Best oral prsenatation
S. Archaya	Identification of petrol degrading bacteria from petrol polluted soil and comparison with Pesticide degradation of Medicinal plants	International Seminar entitled "Synergistic effect of Beneficial micro lives with multidisciplinary approaches" Hindustan College of Arts and Sciences. Coimbatore	31-Jan-13	Best Paper presentation
Jayanthi Siddhuraj	Production and characterization of thermostable beta galactosidase from dairy effluent <i>bacillus</i> spp. and its application	International Symposium on "Bioscience Research for Present and Future- Biomillenium'13, Vivekanandha College of Arts and Sciences for Women	18 th November 2013.	Best oral presentation

Karthika. M	Screening, optimization and characterization of silver nanoparticles from medicinal plant and its antimicrobial activity	International Symposium on "Bioscience Research for Present and Future- Biomillennium'13, Vivekanandha College of Arts and Sciences for Women	18 th November 2013.	Best oral presentation
Merlin Christy, P	Bacterial dynamics during biogas production from cow dung	International Symposium on "Bioscience Research for Present and Future- Biomillennium'13, Vivekanandha College of Arts and Sciences for Women	18 th November 2013.	Best oral presentation
Sathya. M	Reduction of hexavalent chromium by chromium reducing bacteria isolated from tannery effluent in ambur	International Symposium on "Bioscience Research for Present and Future- Biomillennium'13, Vivekanandha College of Arts and Sciences for Women	18 th November 2013.	Best oral presentation
Vidya, M	Artificial seed production	International Symposium on "Bioscience Research for Present and Future- Biomillennium'13, Vivekanandha College of Arts and Sciences for Women	18 th November 2013.	Best poster presentation
Archaya. S., Deepa, N.	Priliminary Phytochemical Analysis, Antibacterial Activity And Estimation Of Secondary Metabolites From Clausena dentate	3rd National Conference on Emerging Trends and New Challenges in Biotechnology (NCETNCB - 2014) Department of Biotechnology, MGR College, Hosur, Tamilnadu	19th and 20th February 2014	Best Poster presentation and award Prize of Rs. 1500/-
S. Archaya	Phytochemical Analysis and Estimation of Secondary Metabolites of Clausena dentate.	National Seminar on National level technical symposium on biotechnology in 21 st Century Selvamm College of Technology, Namakkal	14 th March, 2014	Best Oral Presentatation

P. Merlin Christy	Isolation of hydrolytic bacteria from bovine rumen fluid and its role in biogas production	ERNESTO'14, Vivekanandha College of Engineering for Women	6 th and 7 th March 2014	Best Oral presentataion
K. Premalatha and N. Deepa	BIO SEL'14. National level symposium on biotechnology in 21 st century.	National Seminar on National level technical symposium on biotechnology in 21 st Century Selvamm College of Technology, Namakkal	14 th March, 2014	Quiz Program 1 st prize
