Suggestions to improve the curriculum and overall teaching – learning experience in VICAS.

9 responses

Would like to visit next year to recruit more numbers in the next academic year

Good

Students have excellent knowledge in the subject.

GOOD

If you'll can give projects to students of the organisations who does maximum campus hiring in your campus

Infra structure and system facilities are good

Nice

We are very much satisfied with the students..

Technical and Communication Skills to be focused apart from other softskills.

Employer Feedback on the Curriculum Academic Year 2023-24

The following feedback is provided to further enhance the curriculum:

- Emphasize technical and communication skills as part of the curriculum.
- Incorporate soft skills training, including teamwork, leadership, and problem-solving.
- Increase opportunities for students to work on real-world projects provided by recruiting organizations.
- Strengthen collaboration with industries for projects, training, and internships to provide real-world exposure.
- Offer customized courses aligned with the needs of organizations that frequently recruit from the institution.
- Provide access to the latest software, tools, and technologies used in the industry.
- Ensure students are well-prepared for recruitment by conducting mock interviews, aptitude tests, and group discussions.
- Focus on building industry-specific skills and certifications to make students more employable.
- Facilitate employer-student interaction through job fairs, webinars, and networking events.
- Ensure students are equipped with updated knowledge, practical experience, and relevant certifications.

VIVEKANANDHA
College of Arts and Sciences for Women
(Autonomous)

(Affiliated to Periyar University, Approved by AICTE, Recognized u/s 2(f), 12(B) of UGC Act, 1956)
Elayampalayam-637 205, Tiruchengode, Namakkal Dt., Tamilnadu.

Management System
ISO 9001:2015
www.tuv.com
ID: 0910281042

Conclusion

Employers appreciate the institution's efforts in producing knowledgeable and skilled graduates. However, incorporating these recommendations into the curriculum will further enhance students' employability, ensuring they meet the demands of modern workplaces and securing more placements in the future.
